CenTex Foundation Repairs  
Attn: Mr. Jeff Griffith  
1120 East 52<sup>nd</sup> St.  
Austin, TX 78723

Dear Mr. Griffith,

Thank you for your generosity in donating foundation repair services to Austin Habitat for Humanity Home Repair program. Through your kind-hearted generosity, you truly help support every facet of our work.

Because of your contribution, seven homeowners this past year have new foundations. That is seven families that would still be living in substandard housing if not for your generosity. We do not otherwise have the funding to undertake foundation repairs, and our program has grown stronger with your support.

**As required by federal law, this letter acknowledges that no goods or services were provided to you in exchange for your contribution.** If you have any questions about your contribution, please feel free to contact me at 512-472-8788 x 408 or by email at [ssobotik@austinhabitat.org](mailto:ssobotik@austinhabitat.org).

Thank you for helping us build a better Austin.

In partnership,

Stephanie Sobotik  
VP of Development & Communications
