Dear Mr. Griffith,

Thank you for your in-kind donation valued at \$17,728.00 to Austin Habitat for Humanity. This letter serves to signify that Centex Foundation Repair donated services and materials to the Austin Habitat for Humanity Home Repair Program. Every gift builds stability, and your generous support creates a foundation of strength that will endure for generations to come.

Since 1985, Austin Habitat has been committed to empowering low-income families achieve the dream of homeownership. Through the dedicated work of donors, volunteers, and partner families, Austin Habitat has built more than 430 homes, repaired 300 and provided financial counseling to over 10,000 clients. With continuous donor support, our vision of a world where everyone has a decent place to live can be realized.

Together, we build strong, stable and self-reliant communities. Together, we build a better Austin.

If you have any questions about your gift, please feel free to contact me at 512-472-8788 x 105.

In partnership,

A handwritten signature in blue ink that reads "Mary Campana".
